

Sind Sportler  
von  
Geburt an  
Sportler?

Und  
was ist mit  
Astronauten  
oder  
Popstars?

Nein,  
das steht  
bei der  
Geburt noch  
nicht fest.

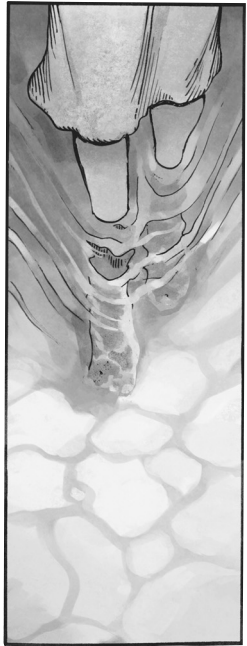

Aber  
was ist  
dann...

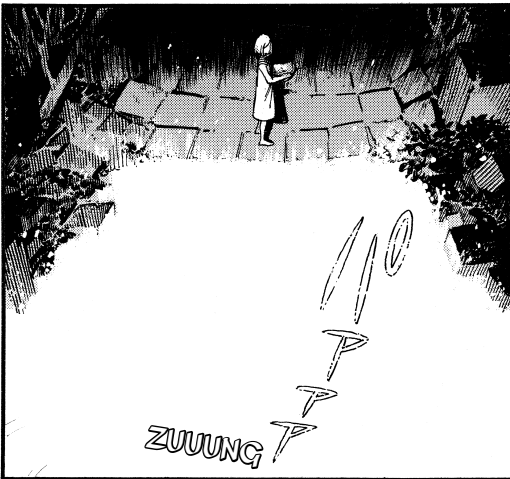

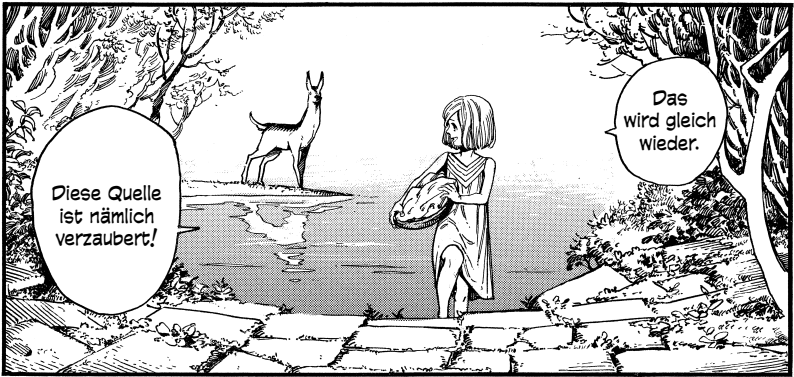

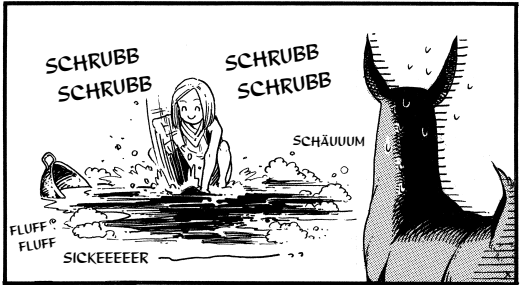

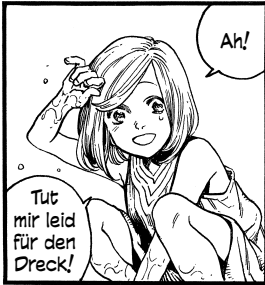

Mit  
Zauberern?

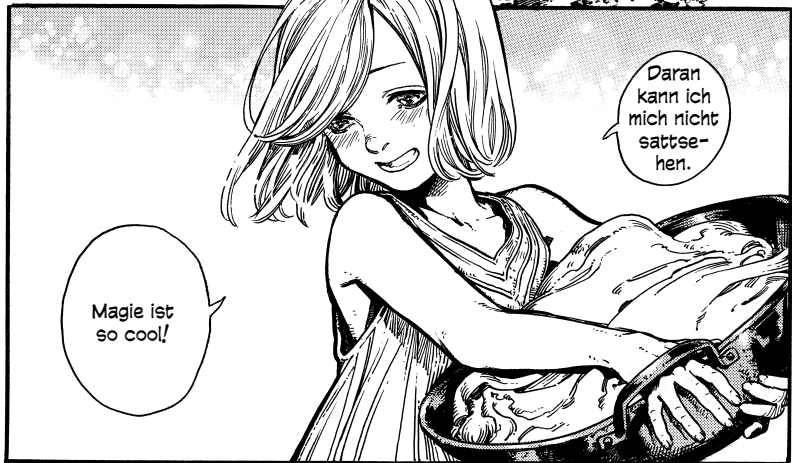

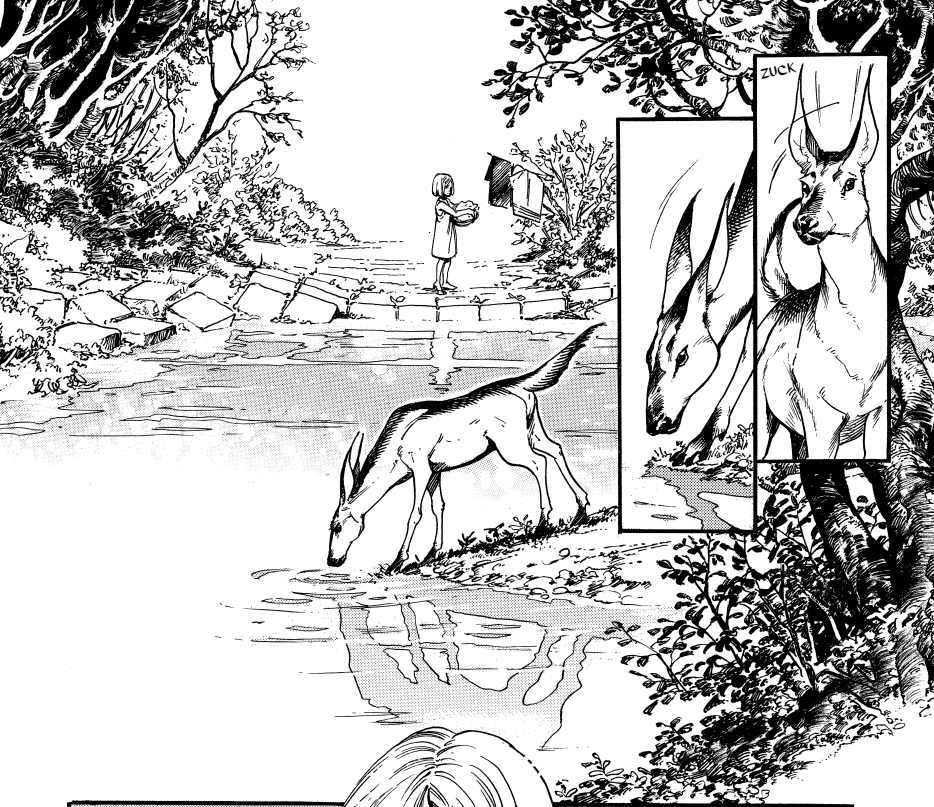

◀ Kapitel 1 ▶

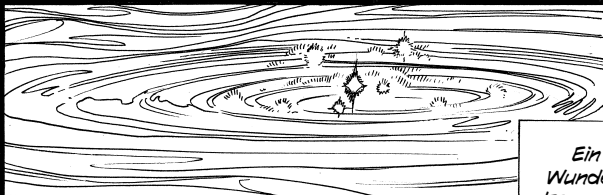

Magie ist  
so cool!

Daran  
kann ich  
mich nicht  
sattse-  
hen.

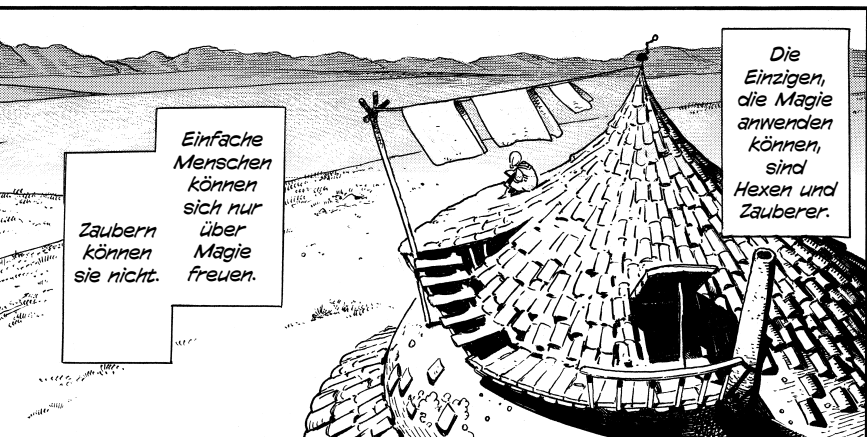

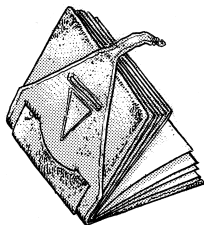

Magie:  
Unsere  
Welt ist voll  
davon. Sie  
bereichert  
unser Leben.

Ein  
Wunder,  
das unent-  
behrlich  
geworden  
ist.

Aber was  
steckt  
dahinter?

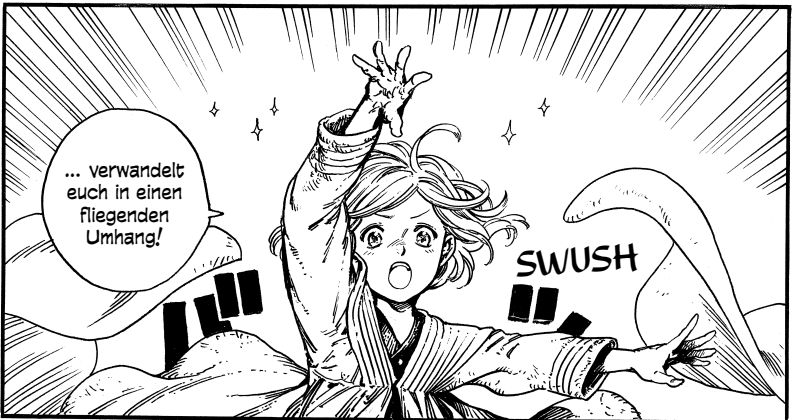

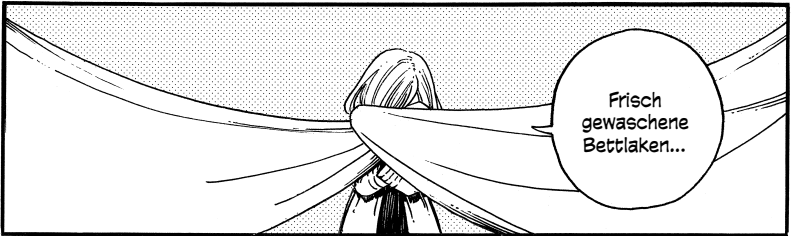

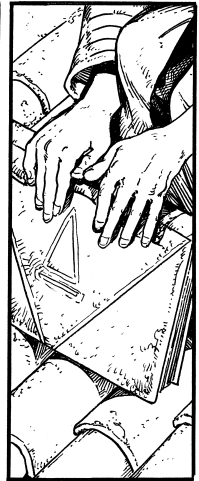

Ich  
weiß  
es  
nicht...

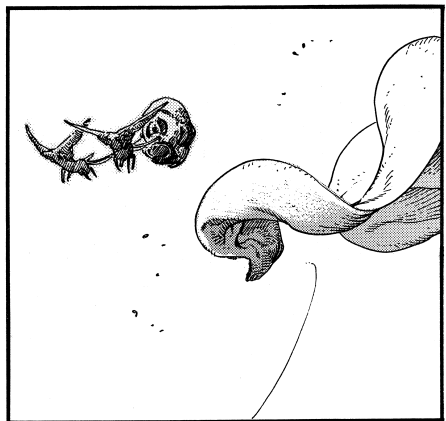

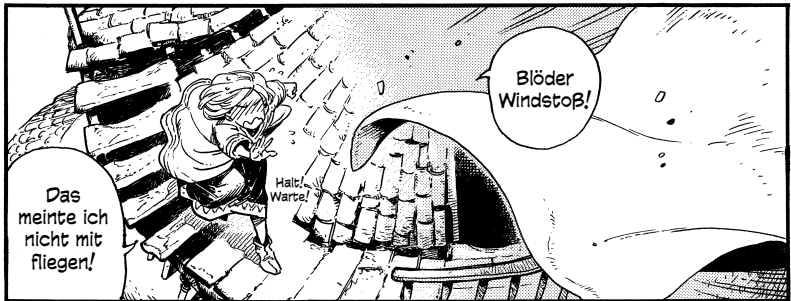

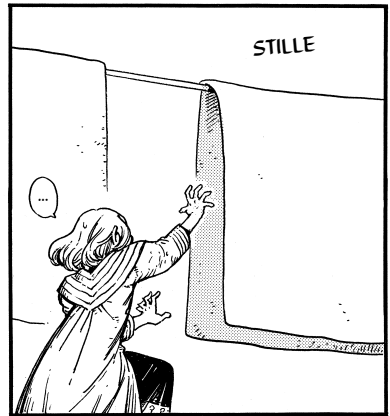

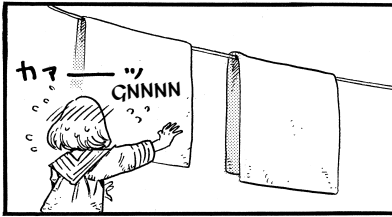

Zaubern  
können  
sie nicht.

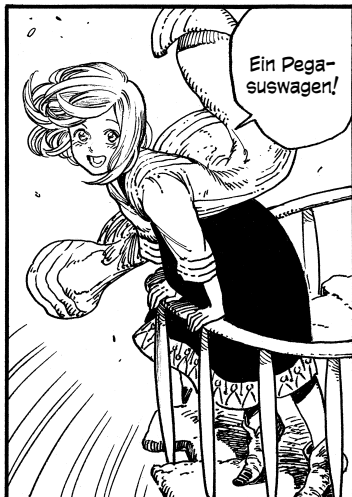

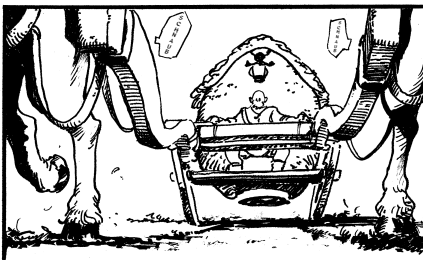

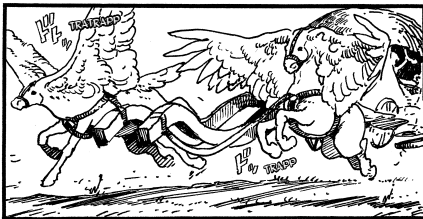

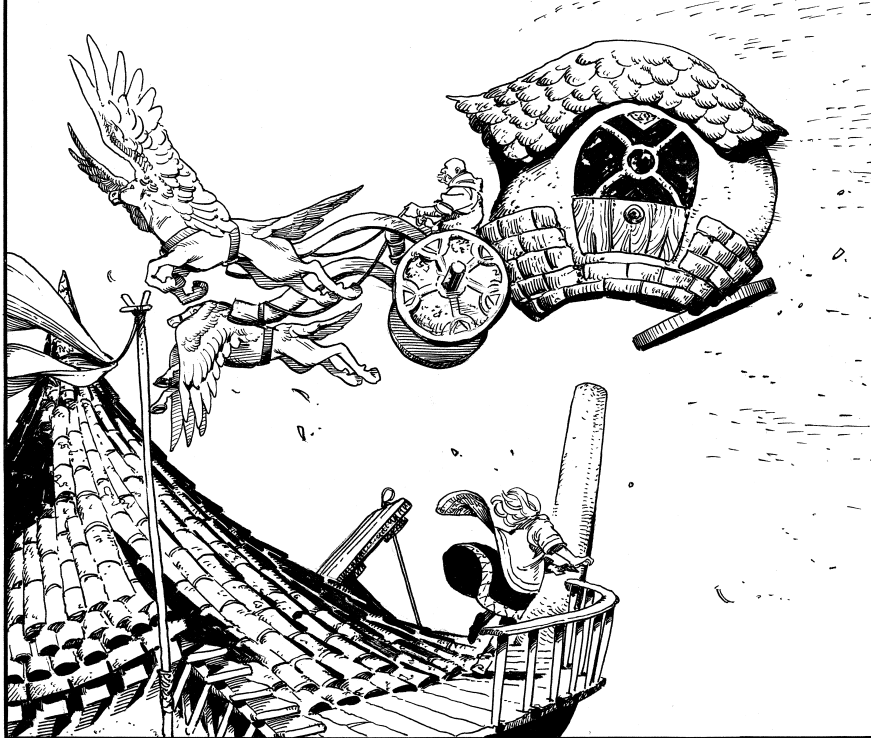

Einfache  
Menschen  
können  
sich nur  
über  
Magie  
freuen.

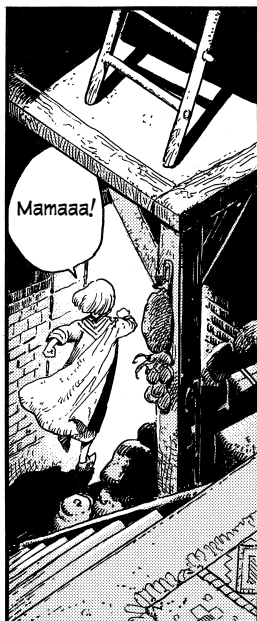

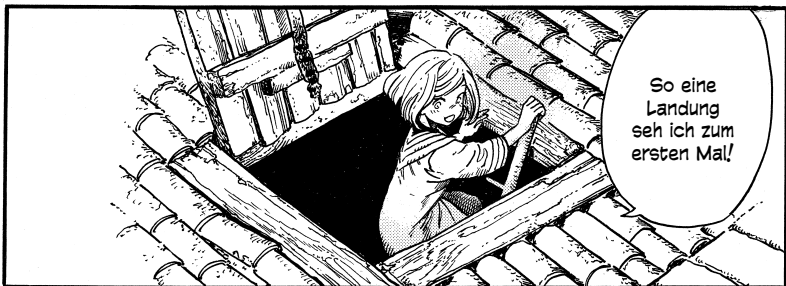

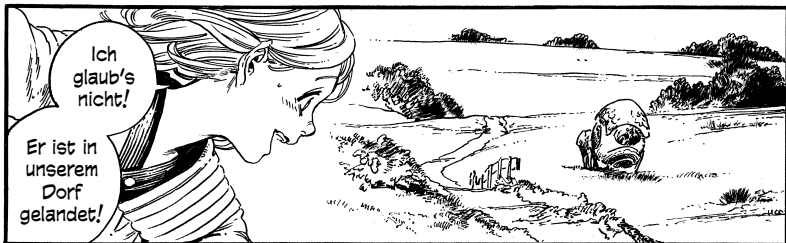

Die  
Einzigsten,  
die Magie  
anwenden  
können,  
sind  
Hexen und  
Zauberer.

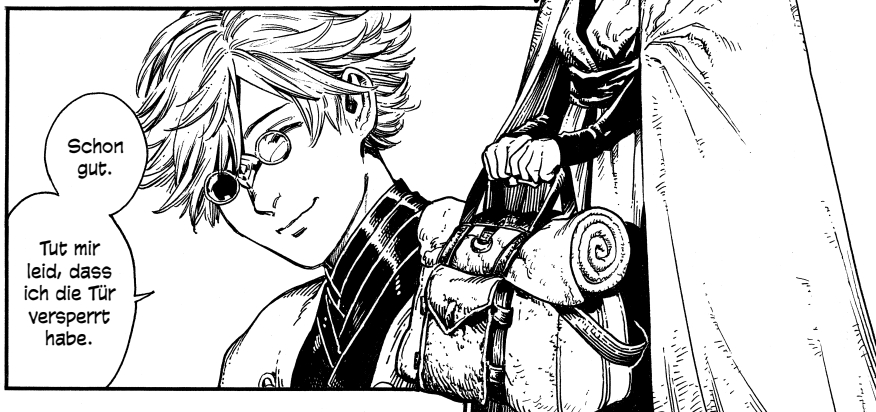

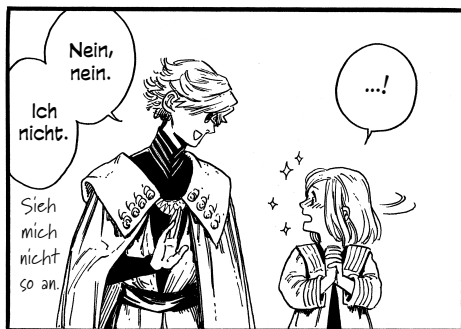

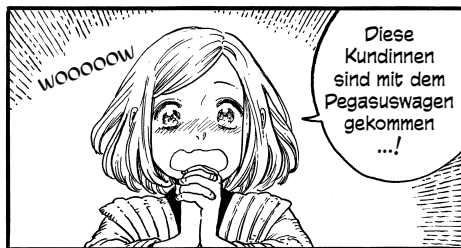

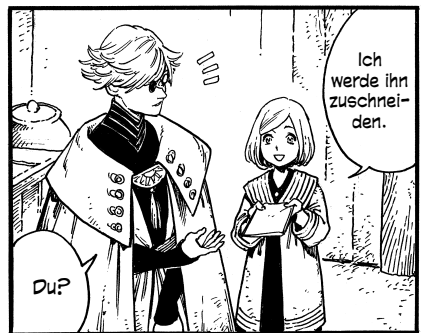

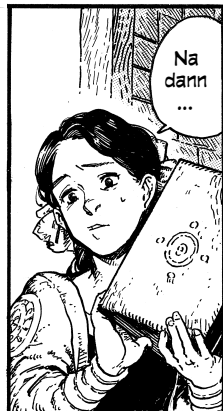

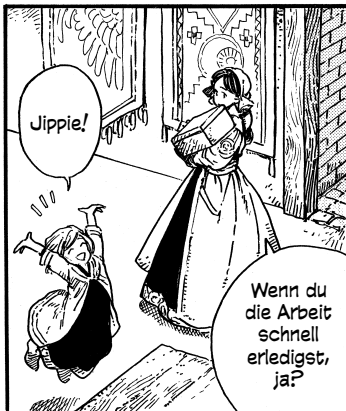

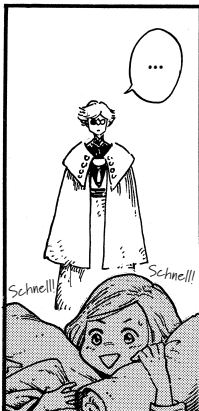

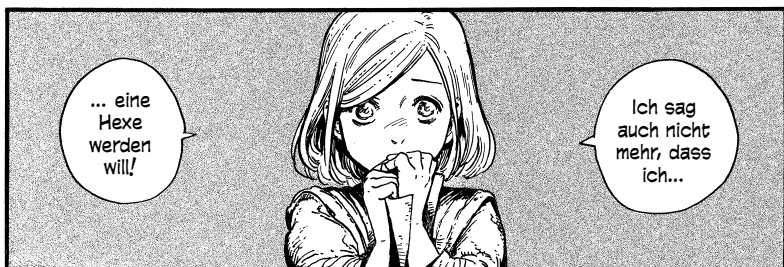

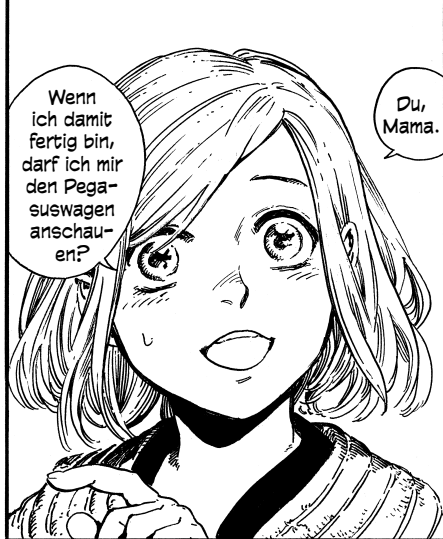

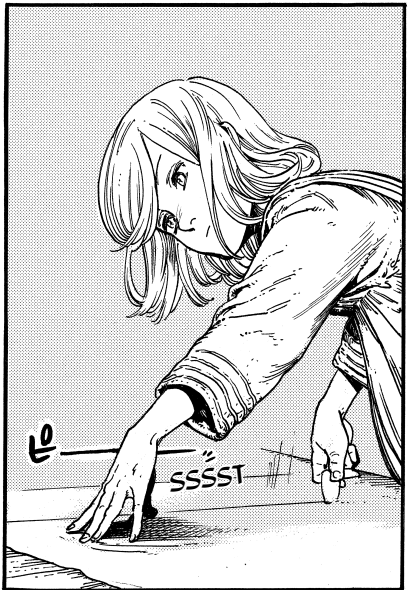

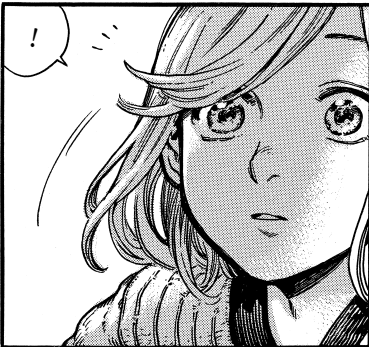

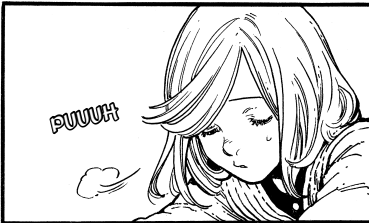

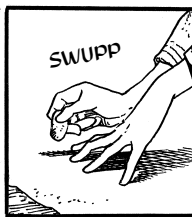

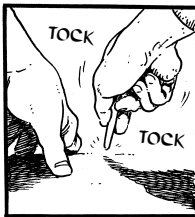

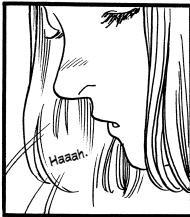

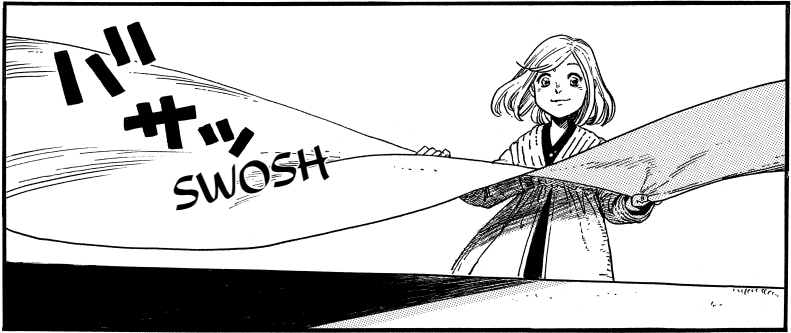

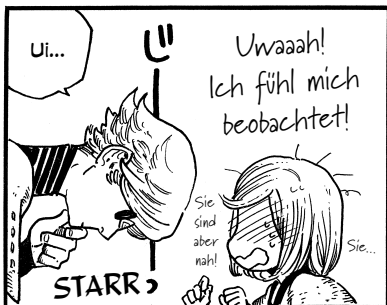

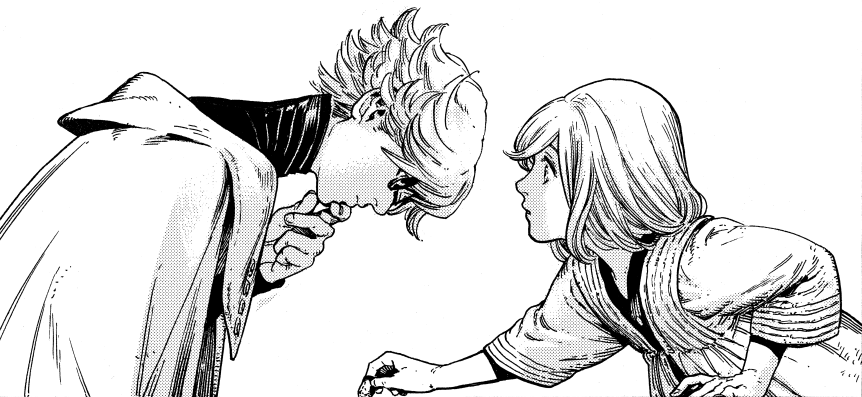

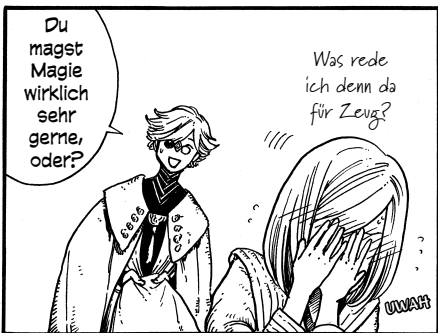

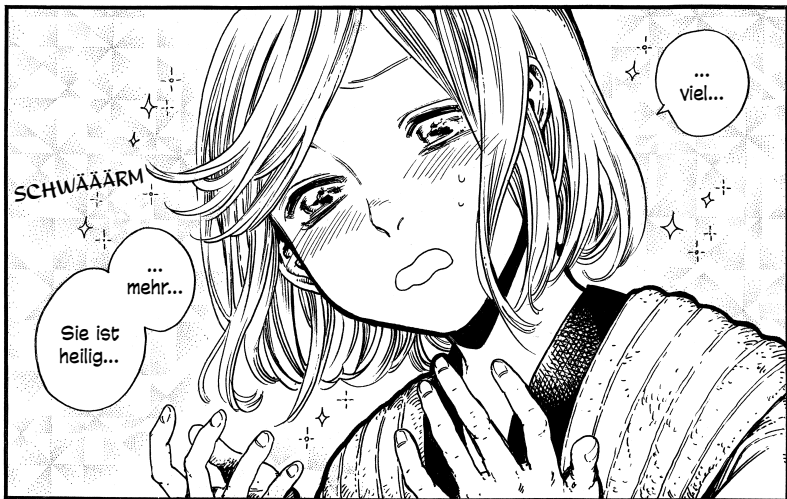

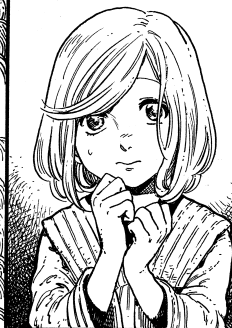

Als ich noch ganz klein war, durfte ich mit auf einen Jahrmarkt in der Burg.

Wirkte selbst gemacht.

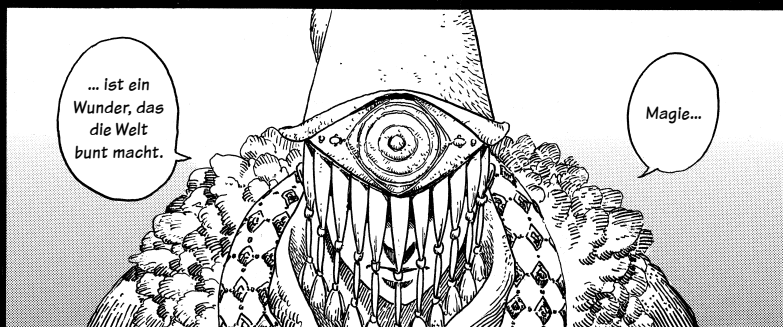

Ja.

?

Ein dünnes Buch?

... von einem maskierten Zauberer.

Und dort kaufte ich ein dünnes Buch...

Die  
Pflastersteine,  
die zu leuchten  
beginnen, wenn  
du auf sie  
trittst.

Das  
alles ist  
Magie.

Die ewige  
Quelle, deren  
Wasser immer  
rein bleibt...

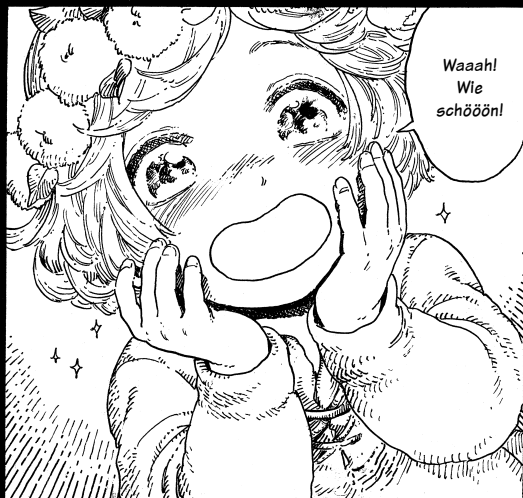

Der Pega-  
suswagen,  
der durch  
den Himmel  
gleitet...

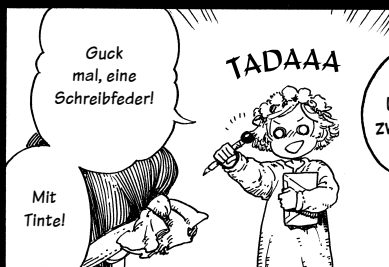

Coco  
mag Magie  
ganz doll!

Magie ist  
tooooll!

Nicht  
wahr? Und  
es gibt einen  
Zauberstab  
gratis  
dazu!

Waaah!  
Wie  
schööön!

Normale  
Leute haben keine  
Veranlagung  
dazu.

Du musst  
mit magischen  
Fähigkeiten geboren  
sein, um zaubern  
zu können.

Na dann...  
Wenn der Weg  
bis nach Hause  
leuchtet...

... dann  
kannst du  
vielleicht  
doch  
zaubern.

Aber  
guck doch!  
Wenn ich hier  
drauftrete,  
leuchtet  
es!
